

Storybook Academy

Infant and Littles Childcare

Referral Program

At Storybook Academy, we are truly grateful to serve a group of amazing and exceptional families. We are so excited to have you join our elite circle of families.

We truly are selective in who we invite into our home and program.

This is not meant to represent a superior mindset in any way, but rather, a standard of high values and like priorities that helps to maintain a healthy environment for the children in our care. We all strive to learn and grow together through this journey called parenthood!

We strongly believe in a growth mindset and know the best way to find more amazing families to invite into our program is through you! We are truly grateful for your sharing your positive experiences with others.

We know there are many families in our community seeking exactly the exemplary level of childcare we provide. Therefore, we have created our referral program to reward the members of Storybook Academy when they help us make these type of connections with other amazing families.

Storybook Academy Referral Program:

You will receive \$100 off your scheduled payment for any family you refer to us that enrolls a child or requests to be on our waitlist (if space not currently available).

Have them reach out and please let them know to mention you referred them.
